

MICHAEL S. LEWIS, MBA, CMPE
Director of Operations

Michael S. Lewis, MBA, CMPE, Director of Operations, brings a wealth of knowledge in medical practice management to CG Healthcare Solutions, LLC. He joined the Firm in 2005 after spending 27 years as a senior executive in the healthcare industry. Mr. Lewis has demonstrated expertise in identifying opportunities and solving problems within medical practices so that doctors can concentrate on the business of medicine. He is a recognized expert in:

- Practice Management
- Practice Acquisition
- Healthcare Information Systems
- Physician Relations
- Reimbursement and Billing
- Management Consulting

Throughout his career, Mr. Lewis has been actively involved in billing and account receivable management. Practices that he has managed have been recognized by the Medical Group Management Association as among the “*Best Practices*” in the country with respect to billing and collection indicators.

Prior to joining the Firm, Mr. Lewis served as Executive Director of a 27 provider primary care group with nine offices in Burlington, Camden and Gloucester counties. He previously was the Administrative Director for the Department of Surgery for the Cooper Health System; Vice President of a division of the Graduate Health System that owned and managed physician practices; and the administrator of an internal medicine sub-specialty practice. He has also done consulting throughout the years in all areas of medical practice management.

Mr. Lewis graduated with a Bachelor of Arts degree in Biology from Brooklyn College in 1974. He went on to earn a Master of Science in Biology from Fordham University in 1975 and a Master in Business Administration in Health Administration from Temple University in 1977. Mr. Lewis earned the professional designation of Certified Medical Practice Executive (“CMPE”) from the American College of Medical Practice Executives (“ACMPE”) in 2005.

Listed in both Who’s Who in America and Who’s Who in Medicine and Healthcare, Mr. Lewis is a member of the Medical Group Management and Healthcare Financial Management Associations, as well as the Gerson Lehrman Group’s Council of Healthcare Advisors. Mr. Lewis is a frequent speaker on topics related to medical practice management for hospitals, physician groups and various trade associations.
