

CG HEALTHCARE SOLUTIONS, LLC TESTIMONIALS FROM OUR CLIENTS

HEALTHCARE CLIENT TESTIMONIALS

"CG performed an analysis of the Practice's income and expenses which helped increase our bottom line. They have been an integral part of negotiations with our hospital system and have assisted us with improving our reimbursement from third party payors."

- Partners in a New OB/GYN Practice

"The CG Team takes a deep and personal interest in our business and goals. They have helped us to achieve our overall Practice and profitability goals."

- President of a Four Physician OB/GYN Practice

"CG has consistently provided us with consulting services to increase our profitability and overall net worth. We rely on them as our sounding board on major decisions and appreciate the firm as an integral part of our business team."

- Senior Vice President of a Major Healthcare System

"The Team at CG immediately took control of my financial affairs, both inside and outside of the practice. Within two years, I had a vision of where my Practice was heading and a plan for how to get there."

- Physician with a Family Medical Practice
